CREWS FOR OPERATION

If you want to participate in the operation of 1300 you must be a member in good standing (that is dues paid up). All those who are interested in taking part report to the Minnesota Transfer Roundhouse after 3:00 p.m. on Saturday June 29th for instructions. Jim Bertrand will instruct all interested members 21 years and older in the operation of the car. Mike Mackner will instruct all interested members 18 years and older in the platform for (boarding, donation talk, answering questions and unloading operation). We need full crews so show up and pay up.

MEMBERS IN GOOD STANDING

July marks the end of the first year of activity for the MTMC and a successful year at that. Many members who signed the articles made token dues payments at that time and no more. Those members who have made no further effort to pay up dues in arrears, or those that are six months or more past due will be dropped from the membership roll and will receive no further information about the museum committee. Remember it takes money as well as work to get the museum established. The following shows your account as of June 1963.
